Updated December 7, 2020

Mission: AAUW advances equity for women and girls through advocacy, education, philanthropy, and research.

About Hilo Branch

The American Association of University Women (AAUW) is the nation's leading voice promoting equity and education for women and girls. For over 65 years the Hilo Branch of AAUW has been assisting women and girls in our community to achieve self-realization through education. Our intellectually curious members are energetic fundraisers who have enabled our branch to award scholarships to women since 1954. Currently both the University of Hawaii/ Hilo and the Hawaii Community College are AAUW University Partners- with the goal to strengthen the leadership skills and its students and staff and to build community relations. In 2014 Hilo Branch established a 501(c)3 Scholarship Endowment Fund.
